State Senator Dave Robertson (R – Grand Blanc Township) and State Representative Bradford Jacobsen (R – Oxford) are hosting a town hall meeting regarding Senate Bill 52 and its companion House Bill 4036, which would allow local units of government to lower speed limits on gravel roads. The bill is in response to legislation passed in 2006 which changed gravel road speed limits, in some instances from 25 to 55 miles per hour, and sets the speed limit on gravel roads at 55 if otherwise unmarked. Also attending will be members of the State Police. Questions should be directed to Jon Farley in Sen. Robertson's office at (517) 373-1636.
